

**REMARKS/ARGUMENTS**

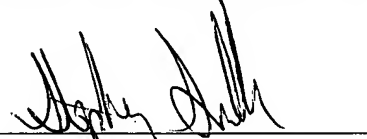

This Amendment is being submitted in response to the amendment dated September 22, 2004. Claims 1-20 are pending. The Examiner's indication that claims 1-20 are allowable is acknowledged and appreciated.

The Examiner objected to the drawings because "wire fingers" were not shown. Pursuant to MPEP §608.02(p), a drawing sheet for FIGS. 1 and 2 with the term "replacement sheet" in the top margin is enclosed in which reference numeral 24 has been added to a preexisting feature in FIG. 2. The specification has also been amended to correct typographical errors in reference numerals. It is submitted no new matter has been introduced.

In view of the foregoing, Applicant's attorney believes that this application is in condition for allowance. Should any unresolved issues remain, Examiner is invited to call Applicant's attorney at the telephone number indicated below.

Respectfully submitted,
